Things that You will need To Start Learning Verbs

>> You should learn the Arabic Writing System, which is already covered in package one “learn Arabic

writing system”, as it is not possible to learn Arabic verbs if you do not know the Arabic script or you do not know how to write words and sentences! Therefore, if you are a beginner I recommend you to [Login To Your Membership Area](#) and watch the videos of package Number one “learn Arabic writing system which explains everything you need about the basics and the Arabic Script – it would be the right start. 😊

➤➤ From this Package, you will learn how the Arabic verbal system works.

➤➤ You should know that The Arabic verbs are built from a root consisting of **Three Consonants**,
According to the following general Form ف ع ل

➤➤ Arabic Verbs are in many forms or patterns, in this

package you will learn the most common **10 Form**, however you will learn the remaining forms as well.

- Only when the root is realized in a particular FORM, then you can use this root to get any word related to this root. **You will learn this technique soon!**
- You should know that any verb can be modified to indicate Mood, voice, tense, person, gender, and number. **You will learn this technique soon!**
- The **prefixes and suffixes** for person, gender, and number are essential and identical in all FORMS.
- **Prefixes, Suffixes and Pronouns** are the most essential parts you should understand to master Arabic verbs.
